

Five Things You Can Do For World Elephant Day August 12, 2013

1. **Educate yourself about the plight of elephants** in the wild and in captivity. Visit websites such as the [Amboseli Trust for Elephants](#), [ElephantVoices](#), the [David Sheldrick Wildlife Trust](#), [Elephant Family](#), and [Wildlife Trust of India](#), which work in elephant range countries. Visit the PAWS website for information on elephants in captivity.
2. **Share the information** you learn about elephants with your friends, family and colleagues.
3. **Make a donation to an elephant conservation organization** working to save elephants where they live.
4. **Pledge to take one action per month** on behalf of elephants: write a letter, make a phone call, attend a circus demonstration, make a contribution to support elephants.
5. **Make a donation to PAWS** to help support our advocacy and animal care work.
